

TECHNICAL DATA SHEET

Multi Foam Cleaner

Systac Multi Foam Cleaner is a universally applicable multifunctional foam cleaner, which can be used quickly and on a wide range of material types. For example; dashboard, upholstery, kitchen, helmets, leather, stainless steel parts, stove windows, windows, etcetera.

Assets of the product

Systac Multi Foam Cleaner offers the following advantages if used according to specifications:

- The foam loosens dirt and pushes it out (cloth upholstery).
- Resolves good grease, nicotine, soot ink and a wide variety of pollution.
- Clears streakily clean on mirrors and glassware.
- Can be used safely on rubber, plastic, glass, metal, stainless steel, and painted parts.
- Degreases and cleans the surface quickly.
- Tackles organic pollution caused by food and insect remains.

Available packaging

SYS-MFC-90016 – **500 ML**

Instructions

Shake well before use.

Spray the targeted surface with **Systac Multi Foam Cleaner** and let it rest for about 3 minutes.

Wipe the surface with a lint-free cloth, if necessary, spray and rub again if there is serious contamination. To avoid circles in upholstery, you should treat the entire surface. Before use, test on an invisible part for discoloration

If you have any questions, please consult your advisor.
